List of cited reference of 03/23/2004

<i>Document</i>	<i>mm/dd/yyyy</i>	<i>Inventor</i>	<i>Classification</i>
<i>DL</i> PCT/US99/13362 (US 09/098,294)	06/15/1998	Tang, Weiming et al	B60 R 22/12

I own only a few pages of PCT/US99/13362 (US 09/098,294) which disclose and illustrate the elongation rate dependent from the force.

The accident report "U260901" was already submitted to USPTO.
